A FOREVER

a page for the love you carry with you

A NOTE FROM ME

For me, a forever is a forever. When I made the FOREVER scent, it reminded me of one, and that is what a scent does. It becomes the reminder.

We all have a forever. A love, a story, a memory. And almost always, a forever is a love we carry with us, wherever we go.

Just a moment to write down yours.

love,
Lone

A FOREVER

MY FOREVER IS

THE SCENT, THE PLACE OR THE MOMENT THAT REMINDS ME

WHAT I CARRY WITH ME, WHEREVER I GO
